### Material

SUSXM7 (SUS304 Equivalent).

### Options

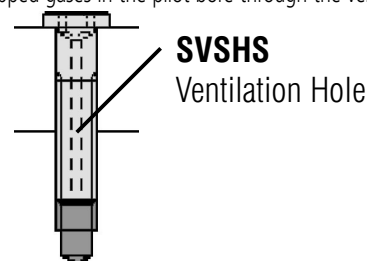

Products with chemical polish are also available.

### Features

- Height of head is less than 1.5mm. The head of the screw goes unnoticed after installation.
- May be used with vacuum chamber applications in clean rooms, FPD (Flat Panel Display) and semiconductor production equipment and devices.
- All clean washed, preventing the inclusion of oil and foreign particles.

### Applications

- Remove trapped gases in the pilot bore through the ventilation hole.
